BRISBANE'S THANKS

As the holiday season approaches it is not too early to reminisce.

In our mad scramble we might check ourselves and remember that in observance of Thanksgiving Day we have much to be thankful for in regards to the growth and and development of our own little town.

Let's look back just one year ago. An embryo of a businessmen's club was being formed. Today it is a full fledged Lion's Club, an organization of which any town can well be proud. At this time a short year ago we did not have a Police Districet. Whoever had heard of a Brisbane Drum and Bugle Corps? A new V. F. W. Post has come into its own. Due to ever increasing membership of the Legion a new building was needed and acquired. A new church, The Bethel Baptist is being erected in our midst.

More teachers installed to take care of the larger number of children enrolled in our school and a new cafeteria to feed them. To say nothing of the new homes springing up all over town.

We can be thankful for the ever-increasing number of civic-minded people who are proud to live in this communityand who come forward to lend their support and ideas to make this a better place to live.

This llittle paper (the only medium through which the people of Brisbane know and hear about each other) gives thanks to the good citizens who contribute their news items and articles so faithfully each month. Also to regular advertisers and subscribers who are regularly showing their profound interest in the growth of our community.

These may indeed be called blessings for which we can all be thankful!

COMMUNITY CHEST

Forty-five per cent of the San Mateo Couty Committee Chest goal of $170,474 has yet to be raised and turned into Campaign Headquarters. A total of $94,076, which represents about fifty-five per cent of the goal, had been received and audited through Tuesday, October 26, according to Chest officials. The campaign must go forward and workers under their chairmen must complete their assignments to reach their quotas. Each City, each community, each district and every business firm has an obligation to give and give enough to provide funds needed by the children and youth agencies which receive their funds to operate through the Community Chest.

This was emphasized by James L. Porter, President of the Chest Board of Directors. Porter pointed out that the twelve agencies which are united in the Chest appeal into one big annual campaign, rather than a campaign a month, are combined to save the time of volunteers and keep campaign costs to a minimum. Givers must remember that the Chest is many campaigns in one and not just an organization seeking a few donations for some cause.

The Community Chest is an efficient and an economical way to raise and distribute necessary funds to operate such worthy agencies devoted to community service as the Scouts, the Y's and other organizations that make any city or community a desirable place in which to live and rear our children. The success of the annual Chest Campaign in every city and community in San Mateo County is a must, if the Peninsula cities are to hold their place of leadership in the Bay Region, state

GLAMOROUS JANE GREER, soon to be seen in RKO's picture "STATION WEST", has a lovely young skin that she keeps free from blemishes. To learn of a completely new type of cleanser that can normalize both dry and oily skins, eliminate blackheads and whiteheads, read today's column.

New Triple-Action Cleanser Does Wonders For All Skins

By Lorraine Moore
Beauty Editor

DEEP PORE CLEANSING . . . softening and lubrication of the skin . . . as well as correction of causes of skin blemishes, is all wrapped up in a single, dual-personality cream that is just now making its debut.

Not only is it a triple-action cleanser, but works wonders on all three skin types . . . the dry . . . the normal . . . and the oily.

Looking like an ordinary pink translucent cream, it changes consistency ON your face. Apply it generously to your face and throat. Then dip your fingers in warm water and massage well into the skin. It turns into a fluffy white emulsification that penetrates right down into the pores and brings out any encrusted make-up or foreign substance.

Then tissue off the dirt-laden cream, and follow with a wash cloth wrung out in warm water. Though non-greasy, (and containing neither soaps nor detergents) the cleanser does contain skin softening oils.

For dry skins, the cleanser has a definite emollient effect . . . releasing skin "tension" and surface dryness, as well as leaving it immaculately clean.

Oily skins lose their unfeminine shiney look. Blackheads and whiteheads disappear after consistent treatment, while make-up goes on more smoothly and evenly.

Enlarged pores decrease in size as the "plugs" which distend them are removed by the deep pore cleansing action.

A jar that sells for only $1.50 (plus tax) is a generous month's supply. Try it and see what magic it can work for your skin type. Deep Pore Cleansing Cream may be purchased at . . .

DRUM and BUGLE CORPS

The Drum and Bugle Corps had a very busy month.

On October 12 the Drum and Bugle Corps paraded in San Francisco. The Corps made a very fine showing in this parade and received many favorable comments.

The next parade was at theMission's Merchants neighbor Portola Festival parade. This parade was on October 19 and the Corps received a trophy. On October 21 the Corps attended the Polk Street celebration known as Polk Gulch. As this was a Western celebration the Corps were dressed as cowboys and indians. At this parade the Corps also won a trophy.

On October 24 the Corps and the Girl Scouts marching Unit went to South San Francisco where they paraded in the Columbus Day celebration. At this parade the Corps won a $25 Cash prize. On October 31 the Corps and Girl Scouts Marching Unit went to Hunters Point for the Open House celebration and before the parade received a wonderful dinner consisting of Turkey or Baked Ham. Also in the parade the Unit received a beautiful plaque which is on display in Frank King's Cleaning shop window.

A very busy month for the Corps and the Girl Scouts!

On our practice night November 2 the Corps voted to take a vacation over the hollidays and will return to practice on the first Tuesday of January.

We still have plans to attend the East and West Game and also one game of the 49ers at Kezar if possible.

We at this time are thanking all the people who so greatfully donated transportation to transport the boys and girls to those parades during this busy month.

We wish to thank the Krenz Amusement Co., 119 Popular Ave. San Bruno, who donated $25 to the Drum and Bugle Corps and left same at the Brisbane Inn for us.

During the next two months the new beginners will be still in attendance at practice and we expect to have a Corps next year that the people of Brisbane will be more proud of than ever.

November 25th
Thanksgiving Day

Give thanks that you can prepare a Thanksgiving dinner as bountiful as Grandmother ever served—and in about as many hours as she needed days. You can, for instance take mincemeat ready-made from a jar, instead of laboriously peeling, grinding and compounding its manifold ingredients. Your frozen turkey comes plucked, cleaned, ready for stuffing and roasting. A turn of the dial, and your oven maintains just the right heat to impart a rich golden-brown to the roasted bird or a delicate tint to flaky piecrust. Count your blessings.

If you are having the traditional Turkey Dinner with all the trimmings, here are a few suggestions:

The Week Before:

Decide on menu. Make out marketing list. Check utensils needed for preparing meal. Order turkey to be delivered to stuff Wednesday. Check table linen, silver, and china. Plan centerpiece. Give home an extra special cleaning.

Monday, November 22:

Buy staples. If possible, place rest of order for delivery Wednesday.

Wednesday, November 24:

Fnish marketing. Straighten up the house. Stuff and truss bird. Make the Pie. Get out glasses. dishes, silver, etc. Compute roasting time of bird.

Thanksgiving:

Set table. Roast Turkey. Prepare other food on your menu.

For an 8- to 15-lb. bird, buy a hen; for a heavier bird, a tom. Know drawn weight, to compute roasting time.

Stuffing the bird:

If you stuff turkey day before, chill stuffing before placing in bird. Pack stuffing loosely—it expands. Truss bird; chill.

Place breast side up on wire rack in uncovered roaster. Don't add water. If pan is covered, water added turkey doesn't roast, it braises.

Brush skin all over with melted fat. Completely cover top and sides with clean cheesecloth wrung out of melted fat.

Roast in slow oven of 300 degrees: Low - temperature roasting saves spattering, cooks bird better.

Don't baste or turn bird. When it's roasted as directed, basting and turning are not needed. If cloth dries out during roasting, moisten with fat in pan.

Cut string between drumsticks after about 1 hour of roasting, for better cooking and browning.

To test for doneness: Grasp end of leg bone. If thigh joint moves easily, turkey is done. The drumstick meat will be very soft when pressed between fingers. Don't pierce meat with fork.

When turkey is done, remove any skewers, string; place bird on heated platter; make gravy.

For Dessert:

CRUMB-TOPPED
APPLE-MINCE PIE

Flaky Pastry
¼ cup butter or margarine
½ cup brown sugar, firmly packed.
¾ teaspoon cinnamon
1/3 cup sifted all-purpose flour
3 sliced, peeled apples
2 cups prepared mincemeat.

Heat oven to 425 degrees (hot). Line 9 inch pie plate with pastry; make fluted edge. Chill. Mix butter, sugar, cinnamon, flour with fork until crumbs are size of peas. Slice apples into pie shell. Top with mincemeat. Sprinkle on crumbs. Bake at 425 degrees for 30 to 35 minutes or until apples are tender.

CRANBERRY RELISH

1 No. 1 can crushed pineapple (1 cup)
1 can whole-cranberry sauce
1½ teaspoon grated lemon rind

Drain pineapple; with fork add to cranberry sauce with lemon rind Chill. Makes 3 cups.

Boy—"I guess the clerk could tell me the name of that stairway that moves."

Mother—"Escalator."

Boy—"I don't want to ask her later! I want to ask her now."

* * *

Your Garden:

Hedge Camouflage

Use a good hedge to hide unsightly elements like refuse pails or incinerators. A wise selection can lend new charm to the yard.

* * *

Health Hint:

Do you read or sew a lot? Then drink plenty milk. It's rich in eye-aiding Vitamin A and riboflavin.

Occupational Lullaby

Sleep, baby, sleep.
Don't let me hear one peep!
Don't pucker up—all primed
to fight
Because it's time to say goodnight.
Don't stick your finger in your
eyes
And rend the air with pseudo cries
just—
Sleep, baby, sleep.

Sleep, baby, sleep.
At last—curled in a heap.
All protest gone now; quiet reigns
As light inside the nursery wanes.
The victory's won, o'er battle
bitter.
Triumphant, I—the baby sitter!
Sleep, baby, sleep.

—Wendy M. Greene.

MIRACULOUS ESCAPE

Wet roads and oil slick supplied the causes for an accident involving H. Earlel Woodard in Vallejo Monday evening, November 1 at 6:30

Returning home during a heavy downpour Mr. Woodard applied his foot brke as he neared the car in front of him on the right hand lane of traffic, one brake grabbed sending the car into a spin. Careening across the highway, out of control, into the path of oncoming traffic. Woodard's car narrowly missed coming head-on with a car approaching from the opposite direction. Turning over in mid-air the car plunged down a 40 embankment and came to a stop upside down.

Although Mr. Woodard had received back and chest injuries he automatically turned off the ignition and pocketed the key and climbed out of the window.

He was hospitalized overnight for shock and observation. X-rays showed no broken bones. Precaution for pneumonia from shock confined him to his home for a few days.

CUB SCOUTING

The Fall Season has evidently heightened the interest of Brisbane residents in Cub Scouting. Proof of this was clearly shown in the size of the audience at Pack Meeting in the Brisbane School Auditorium on October 29th. There are now eight Cub Dens with a registration of more than 40 boys between the ages of 9 and 12.

Mrs. Woodward of 52 Sierra Point Road volunteered as Den Mother for Den Eight. There are several boys waiting for another lady to devote a few hours monthly supervising them in their work and play. Mrs. Mabel King started supervision of Den X at about the same time her husband, Frank King, became one of the Cub Committeemen.

According to the latest reports Mr. Allen Engel of 666Sierra Point Road, a new Cub Committeeman, will devote considerable time giving pointers to Den Chiefs and Mothers. His wife, Mrs. Hannah Engell, will assist Mrs. Jewel Soward, who is the new Den Mother of Den Seven. Mrs. Sam Saunders is assisting Mrs. Brown in the work with Den Four.

Robert Brown and Vincent Reece have past all tests, received their Webelos Badges and graduated into the ranks of the Boy Scouts of America. Scoutmaster Jack Grabovsky welcomed the boys into his ever enlarging troop.

Mr. Mayo Hogue, newly elected Cubmaster, states that the coming Pack Meeting on November 26th will be entirely different from any meeting held in Brisbane. He states that all residents of Brisbane and particularly the parents of Cub Scouts, should reserve the last Friday of each month for the Pack Meeting.

Mr. Roy Edwards came home from a deer hunting trip in October to find that he had been unanimously elected Chairman of the Cub Scout Committee. He was too happy with the results of the trip to register disapproval of the new duties imposed.

A vote of appreciation was given Mr. Don Williams, retiring Cubmaster, for a job well done.

OPEN FORUM

Dear Editor:

I am curious to know who has been in business continuously in Brisbane for the longest number of years.

I have been here for 10 years and so many places have changed hands or closed up, that I feel almost as if I have a seniority score. I would be interested in hearing from interested parties through your paper. Mrs. Chuck May.

NOTICE

Positively no open fires! Permit to burn rubbish in containers must be appllied for before using same. All containers must be completely out by 4 P. M. each day!

* * *

Thanks to our chairman of the Fire District, Mr. Bill Rook for donating some liquid foam to the Department. We sure appreciate this as we were in need of same.

At our lalst grass fire Bill and Chuck May were burnt about the hands and face. Nothing can stop these boys in line of duty. Also Chuck had the soles burnt off of his shoes but kept on fighting the fire in his stocking feet.

The people of Brisbane should be proud of the boys of the Department for their good work.

* * *

In the month of October the Department answered 5 ambulance and 5 Fire alarms.

We had 2 False alarms which was turned in by children. We would like at this time to have the parents explain to their children the danger of same.

Mr. Tann, Captain and crew of the First Aid and Ambulance squad are to be commended on their good work and alertness on the several occasions last month.

We want to thank all the children of Brisbane for the way they co-operated Halloe'en night. No fallse alarms and no destruction. budr swiaefli

Thanks again and keep up the good work.

Of course we can not forget the P. T. A. for holding the dance and carnival which kept the children of of the streets.

The Fire Marshal and Chief are making inspections of all business houses in Brisbane and a record will be kept of same. Better start in now checking your premises.

The weed abatement is for 1947 buurning. The 1948 Burning is not yet turned in.

LEGION NEWS

The first two dances held at the new Legion Hall on Visitacion Avenue during October proved to be an outstanding success.

The first dance held October 16, which might be called a dedication dance, had an attendance of approximately 350 people throughout the evening.

The Hallowe'en Costume party was attended by almost the same number on Saturday evening October 30.

This was a very colorfulll affair with a display of costumes of all types and descriptions. Prizes were awarded and the judges finding it difficult to decide left it to the crowd.

The loudest applause acclaimed the winners to be Mr. and Mrs. R. Trantham of Sierra Point Road who were dressed as "hillbillies."

Favors and noisemakers were distributed at the door and good music furnished by the orchestra completed an evening of enjoyment for alll.

Mr. Jimmy Shelton of Hobart, Oklahoma is visiting with the Leon Stockton's for a few weeks.

Some of us parents do not realize what a wonderful feeling it is for the youngsters to participating for some sort of prize

We would appreciate it if some more of the parents would see to it that their children enter the different tournaments as it is for their welfare and benefit. BELIEVER IN SIGNS

An elderly farmer drove into town one day and hitched his team to a telegraph pole.

"Here!" shouted the burly policeman, "you can't hitch there!"

"Can't eh," exclaimed the irate farmer. "Well, why have you got a sign up there that says, 'Fine for hitching'?"

Egg Hunt

A certain city dweller was inordinately proud of his small suburban farm, from which he commuted daily. One day he was proudly conducting a visitor over his rural acres.

"You have a nice little place here," the visitor remarked.

"Yes, I have," was the reply.

"A nice garden."

"Yep."

"And some fine chickens."

"Especially fine chickens."

"You like chickens very much?" asked the visitor.

"Indeed, I do!" was the enthusiastic reply. "I tell you it is fine to take a basket every morning and go out after eggs."

At this point the little daughter of the amateur farmer brought the proceedings to a close by brightly chiming in: "Yes, sir, and sometimes we find one!"

WINDY WISDOM

You can always tell a country girl from a city girl. When a gust of wind hits them, a country girl will grab for her skirt, but a city girl will grab for her hat.

Subtraction

In response to compliments on the delicious dinner, Mrs. Brown was enthusiastically regaling her guests on her good fortune in finding such a jewel of a cook.

"She has only one fault," sighed Mrs. Brown. "She breaks a lot of dishes."

Just then came a loud unmistakable crash from the direction of the kitchen.

"More dishes, Annie?" called Mrs. Brown.

"No," came the faint answer, "less."
